* Packed best way. Does not include individual reshippers per item

* Requires commercial address with loading dock (see Additional Fees)

** For each item purchased over the maximum units per pallet you will be charged the individual unit prices of the smallest units purchased. (After the first pallet, for items larger than 46x49" the individual unit price is \$175.) If the total individual shipping cost reaches the price of an additional pallet, the price of that pallet will be the maximum you will pay and you may continue to add items until the maximum per additional pallet is reached.

Additional Fees:

Liftgate (no loading dock): \$50

Residential: \$25

Rush orders, change of address, re-delivery and other carrier fees incurred will be invoiced separately.

There are no Drop Ship Fees
